2. USERS

The use of the Portal attributes the condition of user of the portal (hereinafter, the "USER"), who accepts, from said access and/or use, the General Conditions of Use reflected herein. The mentioned Conditions will be of application independently of the General Conditions of Contracting that in its case are of obligatory fulfilment.

3. TERMS OF USE

The present provisions regulate the use of the Internet portal service that TAIICHIO makes available to Internet users.

TAIICHIO provides access to a multitude of information, services, programs or data (hereinafter, "the contents") on the Internet belonging to TAIICHIO or its licensors to which the USER may have access.

Access to the website is free of charge, except for the cost of connection through the telecommunications network supplied by the access provider contracted by the users.

The USER agrees to make appropriate use of the content and services that TAIICHIO offers through its portal and, by way of example, but not limited to, not to use them for:

- (i) Incurring in illicit, illegal or contrary to good faith and public order activities;

- (ii) Disseminate content or propaganda of a racist, xenophobic, pornographic-illegal nature, in support of terrorism or against human rights;
- (iii) Cause damage to the physical and logical systems of TAIICHIO, its suppliers or third parties, introduce or spread computer viruses or any other physical or logical systems that are likely to cause the aforementioned damage;
- (iv) Attempt to access and, if applicable, use the e-mail accounts of other users and modify or manipulate their messages, as well as reproduce, copy, distribute, make available, publicly communicate, transform or modify the contents of the Portal, except in the cases authorized by law or expressly consented by TAIICHIO or by whoever holds the ownership of the exploitation rights, if applicable.
- (v) Attempt to reproduce or copy for private use the contents that may be considered Software or Database in accordance with current legislation on intellectual property.

All the information provided, if any, by the USER through the forms of the Portal for any purpose must be truthful. For these purposes, the USER guarantees the authenticity of all the data provided and will keep the information provided to TAIICHIO perfectly updated so that it corresponds to the real situation of the USER.

4. EXCLUSION OF LIABILITY

The USER assumes the liability of using the portal. This liability extends to the registration that may be necessary, if any, to access certain services or content. In such registration, the USER shall be responsible for providing truthful and lawful information.

TAIICHIO reserves the right to remove, in the event of existing, all comments and contributions that violate the respect for the dignity of the person, that are discriminatory, xenophobic, racist, pornographic, that threaten youth or childhood, public order or safety or that, in its opinion, are not appropriate for publication. In any case, TAIICHIO will not be responsible for the opinions expressed by users through the possible participation tools that may be made available to the USER

Likewise, TAIICHIO shall not be responsible for controlling the absence of viruses, malwares or any other harmful computer element. This responsibility lies with the USER and, in any case, the USER must have the appropriate tools for the detection and disinfection of harmful computer programs. Therefore, TAIICHIO is not responsible, under any circumstances, for any damage caused

to USERS' or third parties' computer equipment during the provision of the portal service.

TAIICHIO is also not responsible for damages of any kind caused to the USER as a result of failures or disconnections in telecommunications networks that cause the suspension, cancellation or interruption of the service of the portal during its provision.

5. DATA PROTECTION

6. "COOKIES" POLICY

In compliance with the provisions of Article 22.2 of Law 34/2002, of 11 July, on Information Society Services and Electronic Commerce, this website informs you, in this section, about the policy of collection and treatment of “cookies”.

What are “cookies”?

A cookie is a file that is downloaded in your computer when you access certain websites. Cookies allow a website, among other things, to store and retrieve information about the browsing habits of a user or their computer and, depending on the information they contain and the way you use your computer, they can be used to recognise the user.

What types of “cookies” does this website use?

This website uses the following types of cookies:

Analysis cookies: These are those that are well treated by us or by third parties, allow us to quantify the number of users and thus perform the measurement and statistical analysis of the use made by users of the service offered. To do this, your browsing on our website is analysed in order to improve the range of products or services that we offer.

Technical Cookies: These are those that allow the user to navigate through the restricted area and the use of its different functions, such as, for example, to carry out the purchase process of an article.

Personalisation Cookies: These are those that allow the user to access the service with some predefined general characteristics depending on a series of criteria in the user's terminal, such as the language or the type of browser through which the user connects to the service.

Advertising Cookies: These are those that, either processed by this website or by third parties, allow us to manage as effectively as possible the offer of advertising spaces on the website, adapting the content of the advertisement to the content of the service requested or to the use made of our website. To do this we can analyse your browsing habits on the Internet and we can show you advertising related to your browsing profile.

Behavioural advertising cookies: These are those that allow the management, in the most effective way possible, of the advertising spaces that, where appropriate, the editor has included on a website, application or platform from which the requested service is provided. This type of cookie stores information on the behaviour of visitors obtained through the continuous observation of their browsing habits, which allows a specific profile to be developed in order to display advertisements based on the same.

Disabling cookies

You can allow, block or delete the cookies installed on your computer by configuring the options of the browser installed on your computer.

Most web browsers offer the possibility of allowing, blocking or deleting the cookies installed on your computer.

Third-party cookies.

This website uses third party services to collect information for statistical and web usage purposes. DoubleClick cookies are used to improve the advertising included on the website. They are used to target advertising according to the content that is relevant to a user, thus improving the quality of the user experience.

Specifically, we use Google AdSense and Google Analytics services for our statistics and advertising. Some cookies are essential to the operation of the site, for example, the built-in search engine.

Our site includes other functionality provided by third parties. You can easily share content on social networks such as Facebook, Twitter or Google+, using the buttons we have included for this purpose.

Warning about deleting cookies.

You can delete and block all cookies from this site, but part of the site will not work, or the quality of the website may be affected.

If you have any questions about our cookie policy, you can contact this website through our Contact Us channels.
